

PURE-H2O — Connections

o Target groups

The PURE-H2O qualification recognition model is targeted at teachers, trainers, learning facilitators, guidance professionals, school/institution managers and political decision makers.

o Economic sectors

Chemical and eco-engineering, environmental protection, biotechnology, healthcare, food industry need professionals with relevant and updated qualifications approved following the PURE-H2O path.

o Institutional cooperation

The PURE-H2O partnership between various institutions and national authorities contributes to the process of regulation, transparency & recognition of qualifications at the national & European level.
